

ANCHOR RUN CSA 2012 MEMBERSHIP FORM

Enrollment is limited and will be filled on a first-come, first-served basis.

Farmer/Member Agreement: In becoming a member of the Anchor Run CSA, I recognize that due to the inherent risks of farming there are no guarantees on the exact amount or type of produce I will receive. I am willing to share the risks and reap the benefits along with the farmers. It is my responsibility to pick up my share at the designated time and I am aware that all perishables left at the end of the day will be donated to people in need.

Member Work Commitment: In an attempt to keep share costs down, educate members, and instill a sense of community involvement, members commit to work a minimum of 8 hours per household for a full share and 4 hours per household for a half share during the season. The work hours are contributed during scheduled workshifts that are posted regularly on our website. If at the end of the harvest season members haven't contributed their respective hour commitment, they will be billed at a rate of \$15.00 for each hour not worked in order to help cover the costs of hiring help for completing necessary tasks.

I am solely responsible for the share payment, contribution of work hours, and pickup of vegetables. Please list one person who is designated as the primary share owner for your share.
